

Coryell Autism Center
Special Education Teacher - Moderate/Severe Credential
Job Posting

Job Title: Special Education Teacher - Moderate/Severe Credential

Job Description

Coryell Autism Center will operate a Nonpublic School (NPS) focusing on the young adults with autism ages 16 to 22.

Coryell Autism Center (CAC) seeks a dynamic Special Education Teacher who will provide instruction for transition-age students with autism; ages 16-21 in a community setting. The candidate, along with the behavioral intervention team will provide an instructional program utilizing Applied Behavioral Analysis methods.

Principal Duties and Responsibilities

- ◆ Work with the team to create, implement, and evaluate beginning through advanced curricular progressions for transition-aged youth with autism
- ◆ Work with the team to create new individualized skill acquisition programs
- ◆ Work with the team to develop Individual Educational Programs (IEP) and participate in IEP meetings
- ◆ Collect, summarize and evaluate data. Make recommendations for modifications
- ◆ Author quarterly progress reports
- ◆ Participate in new programming ideas
- ◆ Assist in the intake process of potential students

Work Year: 12 months, full time

Salary plus benefits, tuition reimbursement and BCBA supervision are offered.
